ICD 2025 | La Nuvola | Rome | 19th June- 21st June

DHL Trade Fairs & Events UK Limited has been appointed as the official logistics contractor and as such is the only company providing handling, storage, and customs clearance for this event. Below you will find information on the services we offer and guidance as how to dispatch shipments to the event.

We shall be offering transport services to and from the venue by road, air and express.

There will be a strict handling schedule in place to ensure that all goods will be handled to or from stand within a set time frame which exhibitors and stand builders will need to apply to DHL for unloading slots prior to the event. Anyone attempting to deliver without a timeslot will be refused entry and advised to come back at a later time.

Each Truck will take around 1 hour to unload due to the challenges set by the venue and the elevators.

All deliveries to the venue must have an agreed timeslot issued by DHL. Please contact Simon@dhl-exh.com

PLEASE Note – Exhibition is on Level – 1, access to the exhibition hall is only possible by elevator and the maximum size of the elevator doors is below, any pallets or materials larger than this may require being separated and carried to the exhibition hall by the stand contractors.
