## **Dr. Vinod Kumar Sharma**

### **MD- AIIMS, Delhi, FRCP - London, FAMS, FISDP, FIAD, FIMSA, IFAAD**

Dr Sharma is an Alumni of very prestigious and topmost medical university of India namely All India Institute of Medical Sciences, New Delhi. He served as Professor and Head, Department of Dermatology and Venereology for twenty years and is currently in private practice as Director Proderm Solutions, New Delhi.

He has been closely associated with Dermatology Societies as National President Indian Association of Dermatologists (IADVL), Board of Directors American Academy of Dermatology (AAD). He is in love with the International Society of Dermatology. He organized, as Congress President, a very successful XI International Congress of Dermatology at New Delhi in November 2013. It was attended by more than four thousand delegates. He also served as Vice President, International Society of Dermatology (ISD) and is on Board of Directors of ISD.

He has been honored by International League of Dermatological Societies (ILDS) with commendation award for service to dermatology at Internationally level. He was also honored by national society of dermatologists from India with Dr. KC Kandhari Foundation award, the highest award by IADVL, and Prof L K Bhutani memorial award for Teaching and Research, Dr. R V Rajam oration by National Academy of Medical Sciences, New Delhi.

His contribution to research was recognized at national level by Lala Ramchand Kandhari ICMR national award for dermatology as well as Dr. CGS Iyer oration for leprosy by Indian Council Medical Research.

He has published several books including -A textbook of Sexually transmitted Diseases and HIV/AIDS 1st edition 2003 and 2nd edition 2009 and Sexually Transmitted Infections 2018, in addition to Handbook of Psoriasis and Handbook of Urticaria.

He has given large number of talks on alopecia areata, SJS TEN, contact dermatitis, vitiligo, leprosy and STIs at both national and international conferences. He also lectured extensively at many medical schools of USA and UK universities. He is a popular teacher and has keen interest in research.

He also served as Associate Editor British Journal of Dermatology.
